

# VIRGIN ARMCHAIR

Refined details enhance the rigorous profile of the Virgin chair, part of the collection of the same name created by Mauro Lipparini. The metal feet give the chair a terse contemporary character, in contrast with the ample padding that invites you to sit back and relax. Available in two versions, with or without armrests, sharing a sense of balanced architectural charm.

TYPE / ARMCHAIRS

## TECHNICAL DESCRIPTION

*Collection composed by sofas, chairs and armchairs with or without armrests. The feature of the whole collection is its softness as a result of an elegant and tailored recover of soft lines typical of the fifties. It also provides a thin armrest section, an elliptical recover in the sofa seat. A contrast between smooth and rough, between the linear frontal feet and those rough and relaxing back once.*
